

**Hon President: Andrew Smith**

## **The Oxford Rotary Fun Run & Walk for the Less Able Sat 8 May 2010 - 10.15am**

### **Oxford University Parks**

Dear "Pathway Workshop Supporter"

Oxford Rotary is once again running this annual event in the wonderful surroundings of Oxford University Parks with the main beneficiary being Pathway Workshop.

It's just 5 kilometres of gentle running (2.5k for walkers @ £10 each) or about an hour or so of your time (with a **"free to all entrants" barbecue** afterwards).

This year it will be bigger and better with **The RAF Falcon Parachute Display Team** opening proceedings at about 10.15am and managed routes and timing.

The main aim, of course, is to raise funds for those with disabilities and, if you are unable to walk/run, then why not pop down and support the event or, if you can't manage that, help by raising some sponsorship money towards this excellent cause.

Further information is available on this web site. If you are entering, please complete the entry form and return it to Pathway Workshop with the entry fee. If you are not sure which category you are in or have any other queries please phone on: 01865 714111. If you are sponsoring but not running/walking, please return an Entry Form noting this on the entry form and return it with your donation or alternatively you can sponsor through JustGiving.com either direct through them or through this web site.

I do hope you are able to enter or pop along. If you're in fancy dress, please introduce yourself – I'd hate to miss you!!

I look forward to seeing you there.

Mike Kyle  
Managing Director, Pathway Workshop
